About us

Tea Moments is the fastest growing tea franchise which was founded by two aspirational youth, whose dream is to venture into a tea franchise and empower the Indian youth with entrepreneurship. The founders of Tea Moments took months to identify the best blends of tea, with a lot of research and development they found unique and authentic tea flavors which will give you a heavenly experience in the first sip itself. Our Strategically designed Tea Moments menu (the menu consists of tea, flavored teas, herbal Teas, Coffee, Lassi, Coolers, Bubble Shakes, Sandwich, Burger, French fries, Maggi & Spiral potato), attractive branding and the equipment we provide in the franchise fee will make it.

Why Tea Moments!

If a tea drinker enjoys buying their brew from your café, stall or store, they're likely to visit on a regular basis. Humans are creatures of habit, and many people tend to nip into their favourite outlet for a steaming cup on their way to work. This means you're likely to benefit from loyal customers who buy your products regularly.
